

Signs of dyslexia

Finds it hard to get ideas "out of your head" on to paper

Struggles to read quickly, decode unfamiliar words or really take in what has been read

Finds it hard to take notes and listen at the same time

Feels anxious when trying out new things in education or the workplace

Finds spelling hard

Needs longer than others to complete tasks

Confuses visually similar letters and words

Finds it hard to remember information without writing it down

Finds it easier to explain a concept and idea than write it

Often a good problem solver who can 'think outside the box'

Finds it hard to organise time and belongings

Strengths in areas of creativity or practical skills
