

SIGNS OF DYSLEXIA

I have clear ideas but find it hard to write them down

I struggle to read quickly, decode unfamiliar words or take in what I've read

I find it hard to listen and take notes at the same time

I feel anxious when I try new things in education or the workplace

I have always found spelling difficult

I need longer than other people to complete some tasks

I confuse visually similar letters and words

I find it hard to remember information without writing it down

I find it easier to explain a concept or idea than to write it down

I am a good problem solver who can 'think outside the box'

I find it hard to organise my time and my belongings

I am creative and have good practical skills
